INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Holocaust Museum Houston:

We have audited the accompanying consolidated statement of financial position of Holocaust Museum Houston and Holocaust Museum Foundation, Inc. (Collectively, the Holocaust Museum) as of June 30, 2012 and the related consolidated statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the management of the Holocaust Museum. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform our audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Holocaust Museum as of June 30, 2012 and the changes in their net assets and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The accompanying consolidating statement of financial position and consolidating statement of activities and changes in net assets as of and for the year ended June 30, 2012 are presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position or changes in net assets of the individual entities. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly presented in all material respects in relation to the consolidated financial statements taken as a whole.

HOLOCAUST MUSEUM HOUSTON

Notes to Consolidated Financial Statements June 30, 2012

Note 1 - Description of Organization

Holocaust Museum Houston (the Museum) is a Texas nonprofit corporation located in Houston, Texas. The Museum's mission is to establish and maintain a memorial to the millions of individuals who perished during World War II at the hands of the Nazis, and to continue to educate and enlighten people by promoting and presenting programs on remembrance, understanding and prevention.

Holocaust Museum Foundation, Inc. (the Foundation) operates exclusively for charitable, educational or religious purposes in connection with the Museum. The Museum is the sole member of the Foundation and appoints a majority of the Foundation's board of directors. Distributions by the Foundation are limited to the Museum or to another qualified organization designated by the Museum.

Note 2 - Summary of Significant Accounting Policies

Basis of Consolidation

These consolidated financial statements include the assets, liabilities, net assets and activities of the Museum and the Foundation (collectively the Holocaust Museum). All balances and transactions between the consolidated entities have been eliminated. The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Holocaust Museum's resources are reported for accounting purposes in separate classes of net assets based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Holocaust Museum and changes therein are classified and reported as follows:

- Unrestricted net assets include those net assets whose use is not restricted by donor-imposed stipulations, even though their use may be limited in other respects, such as by contract or board designation.
- Temporarily restricted net assets include contributions and investment return restricted by the donor for specific purposes or time periods. When a purpose restriction is accomplished or a time restriction ends, temporarily restricted net assets are released to unrestricted net assets.
- Permanently restricted net assets include contributions that donors have restricted in perpetuity. Generally, the donors of these assets permit the use of all, or part of, the income earned on the related investments for specific purposes.

HOLOCAUST MUSEUM HOUSTON

Notes to Consolidated Financial Statements June 30, 2012

Note 2 - Summary of Significant Accounting Policies (Continued)

Recent Accounting Pronouncements

The Holocaust Museum has adopted all recently issued accounting pronouncements that were effective as of the date of these consolidated financial statements. The adoption of any accounting pronouncements not yet effective is not anticipated to have a material effect on the consolidated financial statements of the Holocaust Museum. The Holocaust Museum has not elected early implementation of any pronouncements.

Cash and Cash Equivalents

Highly liquid investments with original maturities of three months or less are considered cash equivalents. Cash and cash equivalents held by the Foundation's investment custodians are classified as investments.

Pledges Receivable

Pledges are recorded as revenue in the year they are received unless they contain a conditional promise to give. Pledges receivable that are expected to be collected within one year are recorded at net realizable value. Amounts expected to be collected in more than one year are discounted, if material, to estimate the present value of future cash flows. At June 30, 2012, all pledge balances were due within one year.

Investments

Investments are reported at fair value. Investment return is reported in the consolidated statement of activities and changes in net assets as an increase in unrestricted net assets unless its use is limited by donor-imposed restrictions. Investment return whose use is restricted by the donor is reported as an increase in temporarily restricted net assets until expended in accordance with donor-imposed restrictions.

Property and Equipment

Property and equipment are reported at cost if purchased and at estimated fair market value at the date of contribution if donated. The Museum capitalizes additions and improvements with a cost of more than \$1,000. Depreciation is computed using the straight-line method over estimated useful lives of the assets ranging from two to forty years.

HOLOCAUST MUSEUM HOUSTON

Notes to Consolidated Financial Statements June 30, 2012

Note 2 - Summary of Significant Accounting Policies (Continued)

Collections

Collections are not recorded as assets in the consolidated statement of financial position. Purchases of collection items are reflected as decreases in unrestricted net assets in the year in which the items are acquired or as decreases in temporarily restricted net assets if the assets used to purchase the items are restricted by donors. Contributed collection items are not reflected in the consolidated financial statements.

Fair Value Measurements

The carrying amounts of accrued interest receivable, accounts payable and accrued expenses approximate fair value because of the short-term nature of these instruments. Pledges receivable are discounted to the present value of estimated future cash flows, if material. Investments are carried at fair value.

Revenue Recognition

The Holocaust Museum records contributions and revenue on an accrual basis. The Holocaust Museum records revenue from the following types of contributions, when they are received unconditionally, at their fair value: cash, promises to give, certain contributed services, and gifts of long-lived and other assets. Conditional contributions are recognized as revenue when the conditions on which they depend have been substantially met.

The Holocaust Museum records contributions as temporarily restricted if they are received with donor stipulations that limit their use either through purpose or time restrictions. When donor restrictions expire, that is, when a time restriction ends or a purpose restriction is fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. It is the Holocaust Museum's policy to record temporarily restricted contributions received and expended in the same period as unrestricted net assets.

Donated Materials and Services

Donated materials and use of facilities are recognized at estimated fair value when an unconditional commitment is received from a donor. The related expense is recorded as the item is used. Contributions of services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Note 2 - Summary of Significant Accounting Policies (Continued)

Advertising

Advertising costs are expensed as incurred. The Museum paid approximately \$23,600 in fiscal year 2012 for advertising costs.

Use of Estimates

Management uses estimates and assumptions in preparing these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, the reported revenues and expenses and the allocation of expenses among various functions. Accordingly, actual results could differ from those estimates.

Note 3 - Prior Period Adjustment

During fiscal year 2012, the Museum discovered that certain donor restricted contributions were misclassified as unrestricted as opposed to the restrictions outlined by the donor. In order to correct these errors, the Museum reclassified prior year's temporarily restricted net assets in the amount of \$126,359 and permanently restricted net assets in the amount of \$907 for a total reclassification adjustment to unrestricted net assets of \$127,266.

Note 4 - Income Taxes

The Holocaust Museum is exempt from federal income taxes under §501(c)(3) of the Internal Revenue Code (the Code). The Museum is classified as a public charity under §509(a)(1) and §170(b)(1)(A)(vi) and the Foundation is classified as a Type I supporting organization under §509(a)(3). Contributions to the Museum and the Foundation are tax deductible within the limitations prescribed by the Code. The Holocaust Museum files annual federal information returns. The Holocaust Museum records charges for uncertain tax positions when they are considered probable. Based on its evaluation, the Holocaust Museum has concluded that there are no significant uncertain tax positions requiring recognition in the consolidated financial statements. The Holocaust Museum's evaluation was performed for tax periods 2009 through 2012. The Holocaust Museum is subject to routine examinations of its returns; however, there are no examinations for any tax periods currently in progress. The Holocaust Museum is no longer subject to income tax examinations by taxing authorities for the years before 2009.

Note 5 - Cash and Cash Equivalents

Cash and cash equivalents consist of the following at June 30, 2012:

Demand deposits	\$ 457,330
Money market mutual funds	<u>101,982</u>
Total cash and cash equivalents	<u>\$ 559,312</u>

Note 6 - Investments and Fair Value Measurements

Generally accepted accounting principles require that certain assets and liabilities be reported at fair value and establishes a hierarchy that prioritizes inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the reporting date.

Certain of Holocaust Museum's financial assets are measured at fair value on a recurring basis. The three levels of the fair value hierarchy are as follows:

- *Level 1* - Quoted prices in active markets for identical assets or liabilities as of the reporting date.
- *Level 2* - Pricing inputs other than quoted prices included in Level 1, which are either directly observable or that can be derived or supported from observable data as of the reporting date.
- *Level 3* - Pricing inputs include those that are significant to the fair value of the financial asset or financial liability and are generally unobservable.

Financial instruments measured at fair value on a recurring basis at June 30, 2012 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Blended equity mutual funds	\$3,563,727	\$ -	\$ -	\$3,563,727

Total assets measured at fair value	<u>\$7,318,934</u>	<u>\$ 58,002</u>	<u>\$ -</u>	<u>\$7,376,936</u>

HOLOCAUST MUSEUM HOUSTON

Notes to Consolidated Financial Statements June 30, 2012

Note 6 - Investments and Fair Value Measurements (Continued)

(a) Marketfield multi-asset mutual fund consists of investments in equity securities, fixed-income securities and other investment companies, including exchange-traded funds, in proportions consistent with the evaluation of their expected risks and returns. It may invest up to 50% of its net assets in equity or fixed-income options, futures contracts and convertible securities and may invest up to 30% of its net assets in swap agreements. The fund may borrow money from banks or other financial institutions to purchase securities. The fund seeks capital appreciation and income.

Valuation methods used for assets measured at fair value are as follows:

- Mutual funds are valued at the net asset value as of the reporting date.
- Corporate bonds are valued using prices obtained from independent quotation bureaus that use computerized valuation formulas which may include market-corroborated inputs for credit risk factors, interest rate and yield curves and broker quotes, to calculate fair values.

These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Holocaust Museum believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

A summary of investment income consists of the following for the year ended June 30, 2012:

Interest and dividends	\$ 315,156
Net unrealized loss	(162,109)
Net realized loss	(17,056)
Custodial and management fees	<u>(9,461)</u>
Investment income, net	<u>\$ 126,530</u>

HOLOCAUST MUSEUM HOUSTON

Notes to Consolidated Financial Statements June 30, 2012

Note 7 - Property and Equipment

Property and equipment at June 30, 2012 consists of the following:

Land	\$ 3,577,887
Building and building improvements	4,379,068
Furniture and equipment	1,375,583
Artwork	<u>80,092</u>
Property and equipment	9,412,630
Less accumulated depreciation	<u>(3,625,350)</u>
Property and equipment, net	<u>\$ 5,787,280</u>

Depreciation expense amounted to \$124,873 for the year ended June 30, 2012.

Note 8 - Collections

The Museum's collections are made up of historical artifacts, works of art, books, and other items pertaining to education, research, and curatorial purposes. Each of the items are preserved and cared for, and activities verifying existence and assessing condition are performed periodically. The Museum has never sold an item from its collection. In the unlikely event that a collection item was sold or disposed of, the proceeds would be used to further the Museum's mission.

Note 9 - Note Payable

In January 2009, the Museum entered into an agreement to purchase from the City of Houston (the City) a public street right-of-way easement. Under the terms of the agreement, the Museum has agreed to engage a consultant to pursue federal transportation funding for improvements in the area and deposit any amounts raised with the City to fund transit improvements in the City's Museum District. If, after five years from the date of the agreement, the Museum has not obtained federal funding equal to the \$572,115 appraised value of the easement, the Museum is obligated to pay to the City the difference between the amount of federal funding raised and the appraised value of the easement plus interest at 8% per year commencing two years after the date of the agreement. The Museum has recorded its obligation under the agreement as a note payable at June 30, 2012.

HOLOCAUST MUSEUM HOUSTON

Notes to Consolidated Financial Statements June 30, 2012

Note 13 - Endowment Funds

The Holocaust Museum has donor-restricted endowment funds that are maintained in accordance with explicit donor stipulations. The Board of Directors of the Holocaust Museum has interpreted the Texas Uniform Prudent Management of Institutional Funds Act (TUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Holocaust Museum classifies the original value of gifts donated to the permanent endowment as permanently restricted net assets.

The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Holocaust Museum in a manner consistent with the standard of prudence prescribed by TUPMIFA. In accordance with TUPMIFA, the Holocaust Museum considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Holocaust Museum and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Holocaust Museum
- The investment policies and objectives of the Holocaust Museum

Changes in endowment net assets are as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Endowment net assets, June 30, 2011	<u>\$ 6,363,868</u>	<u>\$ 341,048</u>	<u>\$ 1,142,671</u>	<u>\$ 7,847,587</u>

HOLOCAUST MUSEUM HOUSTON

Notes to Consolidated Financial Statements June 30, 2012

Note 13 - Endowment Funds (Continued)

Endowment net asset composition as of June 30, 2012 is as follows:

Board-designated endowment funds	\$ 6,326,595	\$ -	\$ -	\$ 6,326,595
Donor-restricted endowment funds	<u>-</u>	<u>416,754</u>	<u>1,262,399</u>	<u>1,679,153</u>
Total endowment net assets	<u>\$ 6,326,595</u>	<u>\$ 416,754</u>	<u>\$ 1,262,399</u>	<u>\$ 8,005,748</u>

Endowment Spending Policy

The Holocaust Museum recognizes that the rationale for investing funds for future use assumes that the purchasing power of those funds will not be diminished over time. Therefore, the level of appropriation will be adjusted from time to time such that the endowment fund purchasing power will not be eroded by appropriation. Currently, this policy will be to appropriate no more than 4% of the fair market value of the funds annually. Additionally, permanently restricted funds (those donated with express donor intention) will not be appropriated for use by the Holocaust Museum. If a permanently restricted fund has not generated income or appreciation sufficiently to accommodate otherwise allowed appropriations, the Holocaust Museum will attempt to fund such appropriation from unrestricted funds.

Endowment Return Objectives and Risk Parameters

The investment objective of the Holocaust Museum for all funds intended to be permanently available to support the activities of the Holocaust Museum is to generate a total return (including appreciation and income) over each complete economic cycle of at least 4% plus the applicable Consumer Price Index per year.

Note 14 - Conditional Contribution

The Museum received a conditional contribution from a foundation for a maximum of \$400,000, payable \$20,000 per year for 20 years beginning in 2005. The contributions are to be used to fund educational programs for which no admission or attendance fee is charged and are conditioned on an annual approval by the donor of a programmatic budget. Approximately \$25,400 was recognized by the Museum in connection with this gift in 2012.

Note 15 - Retirement Plan

The Museum offers a §403(b) defined contribution plan that covers all full-time employees. An employee is eligible to participate in the plan and is fully vested upon completion of 1,000 hours of service. The Museum makes contributions of 2% of employee compensation. Employees may contribute amounts to the plan up to the limits established by the Internal Revenue Code. The Museum made contributions to the plan of approximately \$39,000 during the year ended June 30, 2012.

HOLOCAUST MUSEUM HOUSTON

Notes to Consolidated Financial Statements June 30, 2012

Note 16 - Intercompany Transactions

The Museum transfers excess operating funds to the Foundation to manage as part of the board-designated operating endowment. These amounts, along with other funds received by the Foundation, are invested to support various aspects of the Museum's operations. The Foundation makes periodic grants to the Museum for these purposes. There were no Museum transfers to the Foundation in fiscal year 2012. The Foundation's distributions to the Museum totaled approximately \$84,000. These transactions are eliminated within consolidation.

During fiscal year 2012, the Foundation loaned \$205,000 to the Museum for operating purposes. As of June 30, 2012, the outstanding balance was \$605,000. The balance and any related transactions are eliminated within consolidation.

Note 17 - Credit Risk

Certain financial instruments potentially subject the Holocaust Museum to concentrations of credit risk. Investment securities consist primarily of mutual funds which could subject the Holocaust Museum to losses in the event of a general downturn in the public market. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in net values of investment securities will occur in the near term and that such change could materially affect the amounts recorded in the statement of financial position.

Note 18 - Subsequent Events

By operation of federal law, beginning January 1, 2013, funds deposited in a noninterest-bearing transaction account no longer will receive unlimited deposit insurance coverage by the Federal Deposit Insurance Corporation (FDIC). Beginning January 1, 2013, all of a depositor's accounts at an insured depository institution, including all noninterest-bearing transaction accounts, will be insured by the FDIC up to the standard maximum deposit insurance amount (\$250,000), for each deposit insurance ownership category.

Management has evaluated subsequent events through October 3, 2013 the date which the consolidated financial statements were available to be issued. Management has determined that no other subsequent events require disclosure in these consolidated financial statements.
