LETTER FROM THE CHIEF EXECUTIVE OFFICER

Gary Weisserman

In my first six months as Chief Executive Officer of Holocaust Museum Houston, I have been deeply touched by the warmth and welcome my family and I have received from this remarkable community. Your kindness has made our transition to Houston both meaningful and memorable, and I am truly thankful.

I have also been blown away by the selfless and charitable spirit of the champions of this Museum. Your generosity and unwavering support have made this past year one of deep impact and significant advancement of our mission. We are profoundly grateful for your commitment and the trust you place in us to carry it forward.

As we look ahead to the Museum's 30th anniversary in 2026, it is important to recognize not only our founders for the remarkable gift of the Museum they entrusted to Houston, but also those today whose extraordinary dedication continues to strengthen and sustain it. I would like to take a moment to salute the individuals whose generous support through the Protectors of the Museum initiative has been instrumental to our work (highlighted on page 6). Their enduring commitment ensures the Museum's long-term financial strength and sustainability, allowing us to preserve Holocaust history, promote human rights, and inspire a more compassionate future. Their partnership is invaluable as we strive not only to preserve but to strengthen and elevate the Museum as a cornerstone of our community for the next 30 years and beyond.

I don't think there's ever been a time when the work we do has been more important. We live in a deeply fractured, often frightening world. In this moment, Holocaust Museum Houston is uniquely positioned to imagine new ways to make that world better, especially in how we teach the foundational, universal lessons of the Holocaust. These lessons guide our work and offer a framework for empathy, courage, and community engagement.

We are reimagining how these lessons can be taught, how museums can serve the public good, and how we can do this work on a larger scale than ever before. That's exciting. That's necessary. And it is only possible because of you.

Thank you for standing with us, and for helping us shape a future guided by memory, compassion, and hope. I look forward to what we can accomplish together in the year to come.

With heartfelt gratitude,

PROTECTORS OF THE MUSEUM

The Protectors of the Museum initiative was born out of a simple but powerful vision: to give Holocaust Museum Houston the stability and strength to grow boldly into the future. During her time as Interim CEO, Linda Burger recognized the need for such a foundation and conceived of this program. Without her leadership and foresight, Protectors of the Museum would not have been possible.

Equally vital are the donors who chose to join her vision. At a pivotal moment, they placed their confidence in the Museum and made substantial multi-year commitments to secure our long-term sustainability. Their belief in our mission has already transformed what is possible — allowing us to plan major new exhibitions, launch a robust campaign against antisemitism, enhance our core galleries, and expand the reach of our Education and Development teams.

We are profoundly grateful to every Protector of the Museum for standing with us. Together, they have ensured not only our stability today but our momentum for tomorrow. Their generosity is safeguarding memory, inspiring learning, and propelling Holocaust Museum Houston into a new era of strength and promise.

We would like to extend our gratitude to the individuals below who have made substantial commitments to ensure the long-term financial stability of the Museum through the Protectors of the Museum initiative.

Corporate Partner Spotlight:

Holocaust Museum Houston is especially grateful for its longtime partnership with Memorial Hermann, spanning nearly two decades. Since 2005, Memorial Hermann has taken a leadership role in fulfilling our critical mission by supporting exhibitions, signature events, and, for the last two years, as the Presenting Sponsor of our Public Programs.

Public programs are a core component of HMH's commitment to educate the public about the Holocaust and human rights to combat hatred, prejudice, and apathy. During the 2024-2025 year, the Museum hosted over 31 public programs, including:

- Film Screening of "Family Treasures Lost" follows journalist Karen A. Frenkel as she uncovers her parents' unspoken WWII stories, revealing a journey across Europe, Cuba, Mexico, and New York marked by survival, luck, and loss. Her discoveries transform forgotten names into living histories, inspiring audiences to explore their own family legacies.
- The Lt. David L. Silverman Latin American Institute presents The Rescue Film-Concerto, a groundbreaking fusion of documentary and live music telling the story of Colonel José Arturo Castellanos, who risked everything to save thousands of Jews during the Holocaust. The screening was followed by a conversation with the filmmakers, Castellanos' grandsons Alvaro and Boris.
- Holocaust Museum Houston hosted the conference "Antiscience and Antisemitism: An Alarming Convergence," organized by Dean Peter Hotez and Professor Matthias Henze, which examined the historic and modern overlap of science denial and antisemitism. The program featured eight leading scholars who traced this convergence from the Black Death to the COVID-19 era.

These powerful educational experiences are made possible through the generous support of Memorial Hermann. HMH is immensely grateful for this partnership to achieve our common goal of enriching the Greater Houston area and building a more humane society.

Tributes from July 1, 2024 through June 30, 2025

Holocaust Museum Houston's Tribute Program enables you to honor or memorialize a friend, family member, or loved one. Each tribute of \$18 or more provides the opportunity to make a donation to HMH in their honor while supporting the Museum's mission. Your donation allows HMH to educate our community about the Holocaust, remember the 6 million Jews and other innocent victims, and to honor the survivors' legacy.

This listing includes donors who participated in the Tribute Program along with those they chose to recognize. Tributes are listed alphabetically.

OUR VISION

We envision a society that transforms ignorance into respect for human life, that remembers the Holocaust, and reaffirms an individual's responsibility for the collective actions of society.

OUR MISSION

Holocaust Museum Houston is dedicated to educating people about the Holocaust, remembering the 6 million Jews and other innocent victims and honoring the survivors' legacy. Using the lessons of the Holocaust and other genocides, we teach the dangers of hatred, prejudice and apathy.
