Chap · er · one

Noun.

An adult who accompanies and looks after students on a field trip. Chaperones are (1) responsible for the behavior of the students they supervise, (2) attentive to their students and (3) essential in helping students stay safe, learn, and have fun!

DID YOU KNOW?

- HMH is one of the only Holocaust museums to be fully bilingual in English and Spanish
- The 1,500 butterflies in our butterfly loft represent 1,000 children each, as tribute to the 1.5 million children who perished in the Holocaust
- We are the 4th largest Holocaust museum in the nation

Behavior Guidelines

DO take notes..with a pencil, not a pen!
An accidental mark from a pen or marker can permanently damage exhibits

DO make sure students are always accompanied by an adult!
Including in our museum store, cafe, and outdoor areas; exceptions made for restroom

DO keep students and chaperone phones on silent
Help us ensure your tour is as engaging as possible

DO help us maintain a respectful atmosphere thoughout your visit!
While we are a museum, we are also a memorial site

DO let students attempt to answer docents' questions first
Tours are an educational learning experience for students

Please DO NOT take pictures in our first floor galleries
You're free to do so in our lobbies and second floor galleries, but please do not use flash

Please DO NOT touch, lean, or climb on our artifact cases or artifacts such as our German Railcar or Danish Rescue Boat
These objects are fragile and date back to the 1940s, please help us preserve them

Please DO NOT consume food/water or gum in our galleries
Please help us keep our galleries clean and preserve our artifacts
