

From darkness, light.

December 12, 2019

**In response to the antisemitic attack in Jersey City, New Jersey:**

Holocaust Museum Houston stands with all who are in mourning as they heal from the senseless act of violence committed in Jersey City, New Jersey. As we continue to see a rise in antisemitism, we are once again confronted with the dangers of hatred and prejudice. And yet, we do not give up our hope. Together, we will work to transform ignorance into respect for human life. In the words of Elie Wiesel, "Even in darkness, it is possible to create light and encourage compassion."

Sincerely,
