

Samuel Bak Student Art Showcase

Call For Submissions

Create your own artwork about Holocaust using central themes found in the Samuel Bak Gallery and Learning Center at Holocaust Museum Houston.

Students in grades 6- 12 can chose a Fine Arts Project that focuses on the history of the Holocaust or its historical legacies using a visual arts medium: painting, photograph, graphic novel, collage, drawing, mural, mosaic, sculpture, needlework, models, prints, stained glass, film, etc. Students are encouraged to incorporate one or more of Bak's themes into their work. Suggested themes include: family; childhood; community; memory; trauma; loss; transformation; and healing.

Each project should include the following:

- Name of Artist
- Title of the Artwork
- Artist Statement (5-7 sentences) explaining the concept behind the project (why you created this piece and how it relates to Bak's work) and the meaning behind your work (an interpretation of the symbols and metaphors found in your work)
- Medium used (what the art is made of)

We encourage students to submit a photograph of their project for a chance to be featured on Holocaust Museum Houston's website, social media page, or in our gallery. For more information, please contact education@hnh.org
